

## *Our Annual Online Auction Approaches*

**October 1-15, 2023**

Would you be interested in joining in as a donor as we kick off our highly anticipated (and incredibly fun) 2023 Online Auction? Our annual event is ready to accept donations now! We encourage you to list your donation(s) early this year so we might be able to incorporate them in our marketing materials as the auction proceeds. To create your donation, visit our auction site to get started:

**[www.biddingforgood.com/veriditas](http://www.biddingforgood.com/veriditas)**

We welcome all donations to our auction – big or small! Are you an artist who could donate one of your creations? Do you have a special skillset or expertise that you could provide a service for someone? Would you connect with a craftsman or local resource about creating a unique auction item?

Appreciated donated items include (but are certainly not limited to): labyrinth items, music, artwork, jewelry, getaway vacations, books, unique items, home & garden items, and goods exclusive to your region of the nation – or the world! It's wonderful to have a variety in both items and price ranges.

**Make donating a breeze, by using our concierge donation service this year  
– see the reverse side for details!**

Did you know? You can support the Veriditas auction efforts by making a monetary donation toward our goal directly on our auction site at **[www.biddingforgood.com/veriditas](http://www.biddingforgood.com/veriditas)**

Don't forget to jot down October 1st, 2023 on your calendar as our bidding will open that day!
